### Patriotic Strawberries

This looked like a fun idea to do with the kids this week. I am not big on white chocolate but if it's covered in sprinkles, I think I could probably eat a few! Here's the [recipe!](#)

### U.S.A.

I am so thankful that we live in the greatest country in the world! I can't even begin to imagine what living anywhere else in the world would be like. America's birthday reminds me we are not done yet. We have to continue the fight for a better future for our kids and make a positive difference in the world. Our work is never done!

## THANK YOU FOR YOUR SERVICE

Without the brave efforts of all the soldiers, sailors, airmen, and marines and their families, this Nation, along with our allies around the world, would not stand so boldly, shine so brightly and live so freely.-Lane Evans
